

Emma for WA movie

PERTH producer Stephen Van Mil and WA author Tim Winton are expected to fly to Sydney soon to talk to director Peter Weir, who they hope will take on the task of directing another WA film, *Shallows*, based on Winton's novel.

Former WA model-turned-actor Emma Booth is on the casting list for the film.

"She's read the book and is keen to be in the film," Van Mil said.

THE SUNDAY TIMES.
